Clubhouse Corner

Spring is in the air – what's the old saying...April showers bring May flowers? Well we are ready for some sunshine that's for sure, but the rain is going to make this golf course nice and green. The golf course is open and I am getting anxious to dust off my clubs. April will be the beginning of several busy months for Geneva, so come and enjoy your Club.

Thank you to all the members who came out and supported our Murder Mystery event. I think all of us that were there can attest, it was a great time. We hope to have more events like this in the future, so next time, don't miss out. We need to have more members get involved in these things to keep our Club alive and well.

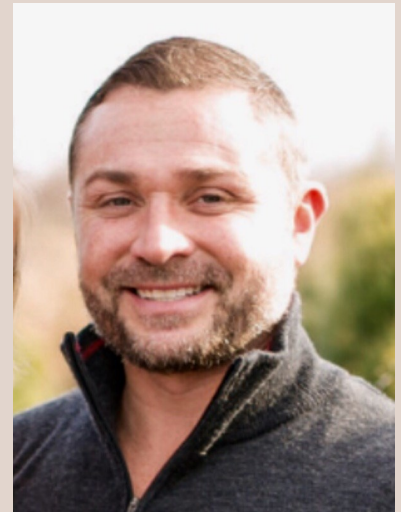

I also wanted to thank Greg Jenkins and Alicia Bull for bringing the Greater Muscatine Chamber of Commerce and Industry annual event back to Geneva. We had 285 people for the event and everything worked out great. Thanks again and we hope you keep coming back! We've gotten some great feedback and want to thank the Chamber for the opportunity to serve you.

There are a few events that I wanted to mention for you all to add to your calendars. We have the **Easter Egg Hunt** for all of the kiddos on **Saturday, April 15th**. Let's hope for good weather so the kids can come out and enjoy. We will have a bunch of fun things planned. Watch your emails for more details. Then on **Sunday, April 16th**, we will have our **Easter Brunch**. This is always a big one, so make sure you have your reservations in now. Chef Ryan will have a fantastic spread to feast on. We also have our ever so famous **Pasta Bar** coming up on **April 28th**. Get your reservations in soon and bring the family out.

An update on an exciting renovation we will be starting construction on soon – the Halfway House! The Halfway House is in need of some serious work, so we have decided to convert it into two full bathrooms. Don't worry, we are also purchasing a beverage cart and it will be running during those peak times on the golf course, so you will still be able to get beverages and snacks. As you know, we are at your service here at Geneva and are only a phone call away should you need something more. We are really excited to revamp this space and hope you will be excited about it too.

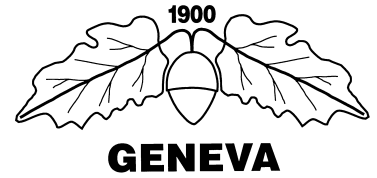

We've got a very busy summer coming up with 12 weddings here at the Club. If you need any dates reserved, let me know now.

I am looking forward to a busy Spring and Summer. Hope to see you all soon.
