THE FORESIGHT

GENEVA

1900

Who is ready for Spring? Do you think this snow has finally passed? Let's hope so. I think we are all eager to get outside and are over putting on our winter coats and boots. Let's hope Old Man Winter has finally left the Midwest and we can get out and play some golf very soon.

We are excited for Easter weekend and have a lot going on. First up is the Kids Easter Egg Hunt and party. We will most likely have the hunt inside, but we have a lot of fun things planned, so make sure and bring the kids out for a while. Easter Brunch is going to be a packed house. Thanks for the overwhelming response and for joining us for Brunch. Chef Ryan has a great menu planned, so we hope you all enjoy.

We are really excited about some renovations we have going on here at Geneva. I'm happy to report that we are giving the Golfer's Grille a much needed makeover. We hope that this will be a space that is inviting and that all of our Members will be able to take advantage of, but especially our golfers. We want you to be able to come in off the course, grab a drink and some food and relax in this space...we hope to have the grill going outside during the summer to really make this a space you want to be in and enjoy. Also, the room that we call the "Back Nine" is turning into the Geneva Fitness Center. We will have gym equipment in there that anyone can use at any time. This will be an added amenity to our Membership, so we hope that you will utilize it at your convenience. More details to come!

We've got a very busy summer coming up with our annual golf events, corporate events, countless graduation parties and lots of weddings here at the Club. If you need any dates reserved, please let me know now.

I am looking forward to a busy spring and summer. Hope to see you all soon.
