

August 2019

The Foresight

GENEVA

1900

It's August... wow! Time flies when you're having fun. It's been a great summer and August will be a great month to close it out. I have fond

memories of the month of August. On August 1st my wife always reminds me and the rest of the family that it's the start of her birthday month, so I have that to look forward to as well.

Soon enough, school will be back in session and your schedules will be packed with everything from sporting events to college football games. Before the summer gets away from you, come out, hang at the pool or get out on the course for some golf and enjoy YOUR club.

I wanted to send a quick shout out to Molly Boyer and Katy Lee for planning the Family Fun Night we had out at the pool in July. The weather gave us issues, but we rallied, and it turned out perfect. Thanks to those members that participated – member support is key, so thank you! The kids and families that were there definitely had a great time. Thanks again to Tony Tone and the entire Geneva staff for a good time. Well done!

Family Fun Day is August 10th and we are excited for all that is in store. Make sure you check the flyer for details and come out with the family. It's going to be a blast and you won't want to miss it. We will have fun by pool with Joey Peate playing music, games for the kids, the popular tiki bar, a fun menu and a serious firework display as usual. Tony Tone will be back again in the evening to join us for the fun. We've got bounce houses, a character artist, tattoo artist and more! This is a great day for family and friends before the hustle and bustle sets in. Do not miss out on this day of fun!

See you soon,

Brian

Dining Room Manager Report

August is here and along with it brings the urgency to fit in all of the left over “fun of summer” before it is too late! Make sure that you are using the last of your time wisely before you are sending the kids back to school. Come out to Geneva to enjoy swimming at the pool, a round of family golf, or a nice dinner on the patio while the days are still long.

As your kids are heading back to school, so is a good portion of our staff here at Geneva. We will be saying goodbye and “see ya later” to 11 of our team members this month. We have had a really great group of college kids this summer and I appreciate all of their hard work! Thank you to all of you. My appreciation for my staff that is staying is also one of great magnitude. I am lucky to have some great people sticking around who roll with the punches and make being at Geneva fun for both myself and the membership! Also, a

thank you to our fearless leader, Brian Lee, who is always going above and beyond the call of duty. Whether it be making Froze’s on Sunday’s at the pool, fixing up all of our “handy man” jobs, throwing together a last minute event, or jumping back behind lines to help cook and bartend, he is always showing us that we “make it work” for our members here at Geneva. Thank you for all of your hard work, BLee!

Do not miss out on Geneva’s Annual Family Fun Day!! I cannot wait to see everyone out having a blast at the Club! We have some really fun activities planned for you all. We will have our staple bounce houses, amazing fireworks show, and some great food for both lunch and dinner. Come out to see what new things we have to offer this year. Activities will start at 11am and fireworks will start at dusk. If you have any questions about Family Fun Day, see your flyer attached in your email or call Jessica in the office.

We appreciate all of the great feedback that we have been receiving regarding our new menu! We are excited to see some of our new items going so well such as the Cali Chicken Sandwich, New York Strip, and the Sea Bass. People have not forgotten to give love to our Geneva staples either, such as the Plantation Salad, Shrimp Cocktail, and Geneva Ribs. If you have not had the chance to dine off of our new menu, you are missing out. Make sure that you head in soon to give it a try!

Thank you for always supporting your club.

Molli Lippelgoes

Featured Employee

My name is Anna Sparks, I am the daughter of John & Cindy Sparks. I am excited to start my junior year this fall at Muscatine High School. At the high school I am involved in choir, show choir, and I am the junior class Vice President for student council. I have spent my summer working in the snack shop here at Geneva. It has been a great experience and I have really enjoyed it so far. After the pool closes I plan on continuing my work at Geneva inside in the dining room alongside Molli and her staff. I am very social and I enjoy working with people so serving members at Geneva is a perfect fit for me. My family has been a part of Geneva since I can remember and I can't wait to serve some familiar faces. I hope to see you at the pool or in the dining room in the near future!
