Happy Holidays, Everyone –

December is here, and the year has flown by. The holidays are upon us and I'm sure everyone is feeling the frenzy as much as I am. We are in full swing here at Geneva and loving every minute of it.

We are underway with all the Christmas parties and luncheons that are being held for various companies here at the Club. The kids Christmas party and Santa Brunch are this weekend and we are ready. I hope all of you are bringing the kids out to enjoy this fun event. They will be sugared up and ready for the weekend. Santa Brunch is a crowd favorite and I hope to see you all.

I know everyone is looking forward to the Geneva Christmas Dinner Dance which will be held on Saturday, December 15th. Reservations are filling up, so please make sure you call with your table as soon as possible. Chef has an amazing menu planned followed by music by Tim Stop, so come out and dance the night away. Last year I was laid up with knee surgery, but this year, I will see you on the dance floor. We are ready!

A special thanks to the Board of Directors and Finance committee for their continued support and hard work over the last year. It's great to have a board that supports not only me, but the membership as well.

Just to let everyone know, we will only be closed for the first week of January for some deep cleaning and maintenance, but after, we will hit 2019 running. I know everyone gets a little antsy when Geneva is closed in January, so we are hoping you all will be happy that we won't be down as long. Come out and see us!

Happy Holidays to everyone... Kate and I are preparing for the holidays fast and furiously. We are enjoying our girls and watching them get excited about Christmas is just awesome. Audrey is almost 7 and loving school and dance. Alexandra turns 4 just after Christmas so our house will be busy. Time really does fly by when you're having fun. I hope you all are enjoying your families this holiday season and making great memories.

Hope to see you soon.

Dining Room Manager Report

December, wow! Thank you to all who made November such a great month! Dueling Pianos was rockin', Christmas parties have already begun, and everyone survived the Thanksgiving and black Friday madness! It seems as we close the door on November, it is taking the fall season with it. Buddle up, Geneva Members, I hear this winter season will be bringing us more snow than previous years. That fireplace in the Lounge will be calling your name in no-time.

Our calendars here at the club sure are filling up. It is such a wonderful feeling to know that one of our busier times of the year is officially upon us! We are blessed that our staff gets the opportunity to take care of so many families and businesses, both small and large. We love that we get to be your home away from home. Whether it is date night or a business lunch, think Geneva. This season, keep an eye on our feature list for all of your comfort food favorites. We have heard a lot of excitement about the new spin to the menu already! A few other things to be excited about this month include Santa Brunch and the Geneva Dinner Dance! Both events are a "Geneva Staple" and are always a great way to celebrate the holidays with us! You do not want to miss out. ☺

I cannot believe that 2019 is around the corner, already. My 2018 has definitely been one for the books- what a fantastic, life-changing year! I hope that as everyone looks back on their 2018, you remember the good times and have learned from the bad, and as you go forward into 2019, may you take chances on new opportunities, smile more, and worry less. Merry Christmas and Happy New Year, Geneva Family!

Featured Employee

Hello Geneva members! My name is Mackenzie Munson. I have been a server here for 3 months now. If you come out to the club Tuesday through Friday for lunch, I will be here. I was introduced to Geneva by a friend who was a server at the time. Geneva has been a great place to work. I enjoy being around the membership, everyone has been great to me since the day I started. Here are a few things to know about me. I am 33 years old, I'm married to Travis Munson and we have a daughter named Norah. With my spare time I spend as much as I can with Norah and I love painting nails. Come out for lunch and let me serve you!
