Happy holidays, everyone –

December is here, and the year has flown by. The holidays are upon us and I'm sure everyone is feeling the frenzy as much as I am. We are in full swing here at Geneva and loving every minute of it.

It's bittersweet to be writing my final newsletter. I have so many memories of the holiday season at Geneva. From company parties that we have done year after year, to the kid's Christmas party and Santa brunch. Our Geneva Christmas parties are always one of my favorites. This will be my last one as General Manager and it feels strange to be honest. I hope you all can come and join me on my last Geneva party as an employee. It's always a great time with good friends, good food and good music. I hope to see you all there.

I wanted to thank all of you that have reached out to me to offer your support and well wishes. You have no idea how much each email, text, call and card that I have received has meant to me. It's almost overwhelming to think of all the nice things you all have said. Jerri Robison reached out to me and told me

Tony would be proud of me and well, that's really all I needed hear. I'm an emotional guy and this has been an emotional time for me. I'm excited to be a business owner and to right my own ship, but I also know I am going to miss this place I have called home for so long. I could ramble on and on, but I just wanted to say THANK YOU from the bottom of my heart for everything you all have done for me over the last 21 years. These memories will last for the rest of my life.

Happy holidays to everyone... Kate and I are preparing for the holidays fast and furiously. We are enjoying our girls and watching them get excited about Christmas is awesome. Time really does fly when you're having fun. I hope you all are enjoying your families this holiday season and making memories to last a lifetime.

Cheers and thanks for coming!
Brian

Dining Room Manager Report

Geneva Members,

Happy Holidays! I hope that everyone had a fantastic Thanksgiving with the ones who mean the most to you. My boyfriend and I had a wonderful time with both of our families over the long weekend. Our Christmas tree is up and the lights are on our house. I am very excited for the Christmas season this year!

December is always a busy time at the club. To help us better accommodate you and your guests, please give us a call ahead of time to let us know that you are coming in to dine with us for the evening, even if it is a jingle from the car on your way over. There can be a lot of moving parts to one night of service, and while we'd like to think we can handle anything thrown our way, we can never be over informed! This December & January, due to the large amount of holiday parties, we will only be open for brunch for our Santa Brunch, December 8th. We will be sending out more information on when Brunch will begin again after our 2 week shut down, January 1st through January 13th. We are sorry for any inconvenience.

Don't miss out on a few of our favorite events for the year, all happening this month!! Our kid's Christmas party is upon us already. Come hang out and decorate cookies on Saturday, December 7th- don't forget your jammies! December 8th is our annual Santa Brunch. The big man himself will be here paying us a visit before he heads back up to the North Pole. Get your reservations in as times fill up very quickly! Celebrate the holiday with your Geneva family on December 21st at the Dinner Dance. Live music, great food, and fantastic company are always a recipe for a successful night! We cannot wait to see you there!!

As 2019 comes to a close and we welcome a new year, Geneva will also be welcoming a new change as our GM, Brian Lee, has decided to take on a new life adventure! As much as we will miss having BLee at the club, we are very excited for him. He truly is the heart of this building that so many of us call our second home. I have learned so many lessons from Brian, both work and life related, that I know I will carry with me for my entire life. It has been a pleasure to work with Brian for the past 6 years. Please come out to help us celebrate all of Brian's accomplishments on December 27th and thank him for 21 years of greatness!!

Merry Christmas and Cheers to the New Year!
