THE FORESIGHT

GENEVA

1900

How can it be July already? I cannot believe how fast the time flies by; especially during the summer months. Now it's time to relax, soak up the sun and play a lot of golf. What more could we ask for, right? Come out to Geneva and do it all right here.

We've had a very busy June with two big weddings and a third that closed out the month. We held the 17th annual City of Hope event and it was a huge success, despite the rain. The HON Company, HNI and Allsteel have done such great things with this event and what a great cause they are supporting. We thank them for allowing Geneva to be their venue of choice yet again this year.

Men's Member Guest has moved to the end of July this year. We are looking forward to a great weekend with some great golf and fun evenings with entertainment and unbelievable food from Chef Ryan. The last I heard, we are almost full, so if you couldn't come last year, make sure to mark your calendars for July 19th – July 21st. Get signed up today!

Family Fun Day will be here before you know it, so mark your calendars now for August 11th. This is always a fun event for everyone to enjoy. We will have fun at the pool, in The Grille and of course the FIREWORKS! Make a reservation and bring the family out. I hope we can pack the place this year.

Geneva has a busy July and August ahead of us with golf events and member functions so if you haven't done so already, get your event booked now. Give me a call or let Jess know what you need and we will try our best to accommodate.

Everyone have a safe and happy 4th of July!

Hope to see you soon.

Golf Course Superintendent Report

We are off to a great start this summer. The greens have been Verti-cut and Top-dressed four times this season. That is currently giving us an average greens speed of 10.5.

The new addition to the rip-rap along the creek banks these past few years has greatly reduced erosion. Especially with all the heavy rain we have had in June this year, it is still reducing.

We added a butterfly garden off the East lounge patio. Throughout the course and around the clubhouse we have been planting new plants, trimmed bushes and mulched the flower beds.

This past season all 58 infected ash trees have been removed. Stumps were ground out, with holes filled and seeded into the grass.

The rough areas in the ravine behind 10 tee have been burned, cleared and sprayed. Our goal is to make it a natural prairie grassland. This will be more desirable for the wildlife, ecologically friendly and be more aesthetically pleasing.

I would like to thank all of the volunteers that helped in all of these projects. I'm hoping July's weather will be a great month for golf.

From the Golf Shop

Did You Know?

Did you know, as a member of Geneva Golf & Country Club there are many perks awarded to you that are not to the general public. We try to make Geneva the best experience for our members every single time you walk through the door.

This is our very own Madelyn Beik. Maddy is the daughter of Greg and Michell Beik and the sister to MacKenzie Clemens and Kole Beik. She has been working for Geneva since May of 2016 as a lifeguard. In November of 2016 she began working in the dining room. As of today, you can find her in The Grille, the main dining room or at the pool. Maddy has been a great addition to Geneva and we couldn't be more proud to call her one of us. Maddy graduated from MHS this year and will be starting her college career at Kirkwood this fall. While attending MHS she participated in track & field, dance, swim & dive and student council. Not only will she be studying business at Kirkwood, she will be competing on the dance team and training with The University of Iowa Track and Field team. She doesn't stop there! After attending Kirkwood, Maddy has plans to continue her education at The University of Iowa and hopes to participate on the track & field team. We will truly miss seeing Maddy around Geneva but to say we are excited for her upcoming adventures, that would be an understatement. We wish her nothing but the best and we will look forward to seeing her around the holidays.
