The Foresight

GENEVA

1900

It's that time of year again and Geneva is in full swing getting ready for all areas of the club to be open and ready for business. Let's hope this rain moves out soon and stays away so we can dry out and get some golf in soon. Pretty soon we will be draining the pool and getting it ready for summer action. It's great to see the Club getting busier.

I know I have mentioned The Grille a time or two, but we are now open for business down there for lunch. We are excited to have one area where we can serve everyone. We will be able to better serve you not only quicker, but more efficiently. Again, if you have a need for a corporate lunch or something more private, just let us know and we will accommodate.

We have a lot going on in the upcoming months, so be sure to watch your emails. We are kicking May off with our Spring Kick Off and Cinco de Mayo party. If you can't or don't want to golf, make sure and join us for the fun in the evening. 'Ritas and Fajitas, a Mariachi band and don't forget about the Kentucky Derby! It will be on in the bar, so come out and join us on Saturday. It is sure to be a great time.

I hope everyone is keeping safe – thoughts and prayers to those affected by this nasty flood and I hope our friends downtown can be up and running soon.

Hope to see you all soon.

Dining Room Manager Report

Greetings, Geneva Members!

Marvelous, May! We are gearing up for a busy summer here at Geneva and we could not be more thrilled. Between Baby showers, Weddings, Men's golf, business caterings, and other outside events, we are staying moving this month. We appreciate all of the support and love you are showing your club! While we have a lot of "outside" events going on, we still have a lot of great things to offer our members in the coming month and we hope you take advantage of them!

Join us for our 3 par challenge Spring Kick Off event and Cinco de Mayo celebration this weekend, May 4th! We will have a selection of Mexican food and Margaritas in the evening along with a Mariachi band. The weather is supposed to be beautiful so come out and get your fiesta on! Just around the corner is Mother's Day Brunch. Treat your wife, mom, and grandma to a lovely breakfast full of laughter and great memories at Geneva. Reservation times will fill up fast so get yours in as soon as possible to secure the time that works for you. Laura has a great line up for Geneva Family To Go's this month, make sure to take a look at the menu and let Geneva take care of you and your family! Men, grab your clubs and your drinking buddies and come out for Wednesday night Men's League. We are ready to get the ball rolling on our legends league for the season. Fit in a quick 9 holes and scoot home or stay to hang out with the boys for the night, either way, Men's league is always a good time.

May will bring a few new changes to the club. We are excited to serve you lunch in The Grille now through September! Do not fret, this change will not interfere with any service or accommodations the club offers. We would still love to host any large groups or private meetings, pending availability in our West Lounge or Main Dining area. Contact Jessica in the office for any special requests. Another change in the club is one you will see in our Main Lounge. Our part time bartender, Maddi Phillips has stepped up to fill in the role of full time bartender and she is very eager to have a hand in making Geneva the best place it can be for our members. Stop in to see Maddi and the rest of the trusty Geneva staff sometime soon!

From the Golf Shop

As we start the month of May, the golf course will start to get busy with member events and some course closures. The bulletin boards will be of great service to you to keep current with the activities of the month. I will try and use Tuesday as the day to send out golf information for the week. Please keep the email that comes from the Golf Shop as a reminder of upcoming events!

Up Coming Golf Events:

May 1st

Legends Cup Men's League Begins. Come out and join us each Wednesday evening for a nine-hole net competition. Each week the LEGEND'S Cup will tee-off at 5:30pm. You will earn points throughout the summer with the goal to reach the LEGEND'S Cup finals. This event will run like the Fed-Ex Cup on the PGA Tour. Each week you will receive points for playing. The points will be distributed each week using the Fed-Ex points list. We are not asking you to play every week, but we would like to encourage you to play as much as you can. The top forty players will qualify for the year end shoot-out. The LEGEND'S Cup Shoot-Out will start with the first Wednesday in September and run for 4 Wednesdays. We will drop off players each week until we are down to the top ten players for the final night.

Each week there will be an \$8.00 entry fee. \$6.00 goes to nightly prizes and \$2.00 carries over to the final payout.

You will be allowed to put your own groups together, or you can just sign up as an individual and we will help pair.

Featured Employee

Matt Dail, Assistant Golf Professional

Education: Graduated from Trinity Christian College in 2018 with a Bachelor's Degree in Psychology.

Collegiate Athletics: Played 4 years of collegiate golf and 2 years of collegiate basketball.

Family: Small town Dutch family, parents are John and Stacey Dail, have 1 brother who can sing and play music both of which I cannot do, have a dog and 3 cats all with very distinct and different personalities, very tight knit family and family is important to me so developing personal relationships means a lot to me, love helping people in any way that I can (one of my favorite things to do, no matter the circumstance).

What I do in my free time: In my free time I enjoy playing golf and practicing, of course, as well as playing video games, hanging out with friends, watching movies and love to play card games/board games with people, also enjoy just sitting and talking and getting to know people.

Fun Facts: 1) I am right handed in all things unless swinging is involved then I am left handed.

2) I have broke 5 toes, my left wrist, right pinky finger, left thumb, left collarbone, had stitches twice (left hand and head), and staples once in my head (lots of good stories behind all of these!).

3) My lowest ever round is a 64.

Hope at Geneva: I am hoping to develop many personal and meaningful relationships here at Geneva CC with both members and other fellow employees. My goal is to eventually work through the PGA/PGM program and become a head professional and the opportunity to work with Steve and Geneva CC is a great place for me to start and I am looking forward to the season and more to come!

Any time you have any questions or need anything just ask I would love to help!
