THE FORESIGHT

GENEVA

1900

Fall is officially here, I think. The weather the last few days has been a perfect mix of an Iowa fall. The leaves are changing and there is definitely a different feeling in the air. Muskie Homecoming has come and gone and October is here. Come out and enjoy the golf course before the cold weather sets in.

I wanted to send a quick thanks to those members that came out and participated in the Men's Fall Stag. We hope that this can continue to grow in the coming years, but we have received nothing but compliments on the event thus far. The guys enjoyed the format, the food and all of the fun surrounding of the two days of golf. Thanks again and let's get those numbers up again next year. Thanks to the staff for doing an excellent job as well.

We have a couple of events coming up that we are looking forward to hosting. First, we have the annual Kids First, Vintners Dinner. This will be held on October 19th . This event supports a great cause and we couldn't be more excited to be a part it. Thanks for letting us host it again this year for you.

Next up we have the Kids Halloween Party on October 27th. This will be a fun event for the kids and probably for the parents too. There will be more details to come, but mark your calendars and don't miss out.

The holidays are fast approaching and the calendar is filling up fast. Small or large, bring out your department or company for a holiday gathering. What better way to thank your employees for all of their hard work throughout the year. Come to Geneva and let us handle it all and pamper you. Make sure you start thinking about this now and get your date reserved.

As fall is now upon us, come out and enjoy the beautiful scenery from our dining room, main lounge or west lounge and watch the leaves change and have libations.

Hope to see you soon.

Brian

Geneva Golf & Country Club

From the Golf Shop

What a great year of golf. The summer was perfect, a little wet, but really good for golf. The golf course was in really good shape all year thanks to the efforts of Don and his staff. With a priority on turf conditions and green speed, I think the golf course play was as fun this year as any in the past.

October brings us the last event of the season, "The Turkey Shoot". The Turkey Shot is open to all members and guest to participate! The date of this year's event is Saturday, October 21st, 10:00am shotgun. Come out and play the course from some very different pin locations!

I would like to congratulate all of our Champions for this past year:

Geneva Work Days: October 13th & 14th

During the week of the 9th we will be working diligently on getting trees trimmed and cut down. The main focus of the work days will be hauling, raking, and blowing of remaining debris from the trimming.

Remember to use your credit before the 31st of October.

Also if you have borrowed any of the demo equipment please return as soon as you can. I will need to send back to each company.

See you on the course,

Steve
