# THE FORESIGHT

**GENEVA**

**1900**

Is summer really over? Has school really started? It's back to reality for a lot of us with our kids and families. BUT... There is still time to enjoy the pool one last time and the golf course will be open for as long as it can be, so come out and enjoy your club.

We haven't had a pasta bar for a while, so we will be having our first of the fall on Friday, September 14th. Bring the family out for this fun event. There is always a large crowd for this event so make your reservation early. We would love to see all of you.

We've got a lot of great events coming up this fall so be watching your emails for things to come; a couple to mention are a Bourbon tasting in October, Dueling Pianos, Kenda Kist in November and Tim Stop in December. We will have some live music in between as well, so we are going to busy in the upcoming months.

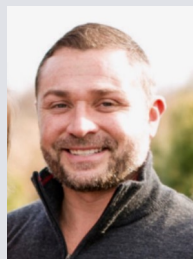

Be mindful of the holidays coming up. If you have a need to host a holiday party, get it on the books now. Geneva is a great place to host an event. We have the West Lounge, the Main Dining room, the Grille and so much more. Let us take care of you so you don't have to worry about a thing.

Kate and I are especially excited for this school year. Audrey started 1st grade at Ss. Mary and Mathias and is loving every minute of it. Alexandra has started her school career in 3-year-old Preschool at Ss. Mary and Mathias, so we have both girls under the same roof for school and it feels good. We just added a new addition to the family – his name is Harry Charles-Winston and he's an English bulldog. He's out here with me a lot, so you may see him around. Needless to say, we are busy.

Good luck to all the kids that are back in school and to the ones that are just starting their school career. Do all the great things!

Hope to see you soon.

Brian

## Upcoming Events

Friday, Sept. 14th

Pasta & Pizza Bar

Thursday, Sept. 20th

Industry Cup

Friday, Sept. 21st

Geneva Ladies Bridge

Friday, Sept. 28th—

Saturday, Sept. 29th

Men's Fall Invite

## Golf Course Superintendent Report

It's been a tough summer with the weather this year. We have had either 3 inches of rain all at once or no rain for 3 weeks. Because we have made an effort to make conditions firm and fast this summer, we have lost a few areas on the tees and fairways. These areas will grow back in the fall. A few greens also have stressed out around the edges during hot and dry conditions. Luckily, they are starting to fill in and return to normal. We have had 2 major leaks on the main 6" line from the pumphouse in July & August. We have had a total of 28 leaks so far throughout the course this season. Our clubhouse irrigation has been repaired. It has now been up and running for a few weeks. I am hoping for some good temperatures and beautiful weather in our near future!

Don Hassel

## Dining Room Manager Report

What a Summer! This time of year has always been a blast to work, but being on the management team put a whole new spin on it. I love being a part of the process from start to finish. Every day I am so grateful for Geneva and all of the people who make this building my second home. It is so rewarding to see our membership enjoying their time out at the club house.

Family Fun Day is a favorite of mine. It is awesome to see families out together. Growing up with a mother who did in-home daycare, to see all of your kids running around together, having the times of their lives, takes me back to being 8 years old enjoying my own summer breaks. We are glad that the adults have just as much fun as the kids on Family Fun Day- I think we had more adults in the pool than little ones! It's impossible to tell your heart to stop being a kid, though, right?! Thank you for making the event so successful!

As summer comes to a close, you will be seeing a lot of the familiar faces in the dining room and "The Grille" disappear. We said "goodbye and good luck" to 7 of our young adults on the staff as they gear up and are off to college. I cannot imagine what it is like to send your own child off to college as it was tear jerking for me to say goodbye to the kids. I am so grateful for the time and hard work they put into working at Geneva this summer. With that being said, we look forward to seeing some new, unfamiliar faces on the Geneva staff! We have recruited a few so far but there's always room for more.

As you and your family start to get into your fall routines, do not forget to fit Geneva into your busy schedule. We will be hosting our famous Pasta & Pizza Bar on Friday, September 14th. It is always fun to see both familiar and unfamiliar faces at our events, so bring your friends out with you to join in on the festivities!

I hope that everyone had a fabulous summer. New seasons bring us new excitement- football, bonfires and all things "fall" will soon be upon us. Come enjoy the beautiful view of the trees changing on the course from the dining room. We hope to see you soon!

Molli Lippelgoes

# From the Golf Shop

It is hard to believe we are entering the month of September. Football has started on all levels, the leaves on the trees are starting to change colors, our members moving south are starting to pack up their cars, but the best time to play golf is just starting. I look forward to seeing you on the course this fall.

Congratulations on a job well done and a big thanks to Don and his staff for a great year on the course!

## **Congratulations Club Champions!**

**Men's:** Bryan Lemkau  
**Ladies:** Jeannette Neeld  
**Senior Men:** Tom Hendricks  
**Senior Ladies:** Mary Kay Peters  
**Super Senior Men:** Jim Kill

## Featured Employee

I'm sure many of you have noticed a new face working along side Chef Ryan. Raul Chavez started interning at Geneva this year through the MCC Culinary Program. Shortly after finishing his internship he became employed at Geneva. Raul is 19 years old, lives in Columbus Junction and just started his second year of the culinary program. After school Raul has plans to continue working with Chef Ryan and hopes to get an opportunity to travel around to different restaurants. When I asked Raul what made him choose culinary school, he said he loved hearing his mother tell stories of when she was an in-home chef for several families in Mexico. Raul likes to spend his free time in the kitchen with his mother cooking for their family. Raul knows the best way to anyone's heart is through food and tacos are his specialty! We are excited that Raul has chosen Geneva to kick off his career in the restaurant industry and we can't wait to see how far he goes!

## Geneva Staff Members

Brian Lee, *General Manager*

Steve Hutton, *PGA Golf Professional*

Don Hassel, *Grounds Superintendent*
