

September 2017

THE FORESIGHT

Is summer really over? Has school really started? It's back to reality for a lot of us with our kids and families. BUT! There is still time to enjoy the pool one last time and the golf course will be open for as long as it can be, so come out and enjoy your club.

The big news for September is our wedding season is still going strong. We still have five weddings this year that will go through November. We have done a total of thirteen weddings this year which has kept Geneva and all of our staff very busy. It's been a great thing for our club and we are happy to accommodate. We can officially say 2017 has been the "Year of the Wedding" for Geneva!

We haven't had a pasta bar for a while, so we will be having our first of the fall on Friday, September 15th. Bring the family out for this fun event. There is always a large crowd for this event so make your reservation early. We would love to see all of you.

Be mindful of the holidays coming up. If you have a need to host a holiday party, get it on the books now. Like I said, we still have weddings all the way through November, so if you need a date, let us know today. Geneva is a great place to host an event. We have the West Lounge, the Main Dining room, the Grille and so much more. Let us take care of you so you don't have to worry about a thing.

Kate and I are especially excited for this school year. Audrey started Kindergarten at Ss. Mary and Mathias and loving every minute of it. We remember Audrey just being 5 ½ pounds and four weeks early, so it's really hard to believe she has started school. Alexandra is a little spitfire and is already 2 ½ years old and enjoying every moment of life. She likes to try and do everything that her sister is doing and then some! Time is flying by for our little family of four that is for sure.

Good luck to all the kids that are back in school and to the ones that are just starting their school career. Do all the great things!

Hope to see you soon.
Brian

Geneva Golf & Country Club

From The Golf Shop

It is hard to believe we are entering the month of September. Football has started on all levels, the leaves on the trees are starting to change colors, our members moving south are starting to pack up their cars, but the best time to play golf is just starting. Congratulations on a job well done and a big thanks to Don and his staff for a great year on the course!

Let's play some golf this fall! If you would like to play golf with Travis or myself anytime this fall, gives us a day to check schedules. We would love to join your group!

Remember to use your credit before the 31st of October.

Thank you also to all the volunteers who helped during the year, we could not do it with-out you! Once again, our members came through!

See you on the course,
Steve

Hostess: Millie Schafenacker

Date: Friday, September 15th

Price: \$10+tax

Menu: Roasted pork loin , seared Brussel sprouts, cranberry chutney
and sweet potato pie.

Superintendent Report

Going into September the golf course is holding up well. It has been a crazy year in the weather world, either too much rain or no rain for weeks. Although I can't complain when I'm looking at the pictures of Texas. The average Green Speed for the year has been 10.5, which has been a little faster than last year. We will be aerifying the greens on September 18th & 19th. We will do the front 9 on Monday then the back 9 on Tuesday, with weather permitting.

The Emerald Ash Borer has started to infect the Ash trees on the course. We have around 60 of them that are either dead, dying or will die in the next year. We plan on taking most of them out this fall and winter. We will be having a couple of work days later in the fall and one of the projects will be to help with the removal of the ash trees.

Keep playing golf, fall is the best time of the year!

Don

Featured Employee

This is Nathan Clester, he has been with us at Geneva for 2 years. Nathan is 22 years old and a Muscatine native. He is currently on Grill, but has worked in all areas of the kitchen. On any given day or night Chef Ryan can count on Nathan to get the job done. Geneva cannot be lucky enough to have such a diligent and honorable employee like Nathan. When he isn't at work you can most likely find him on a bike ride around town with his co-workers or doing just about any outdoor activity.

"I love it here at Geneva. Don't get me wrong some days can be very stressful but I enjoy every minute of it." - Nathan

Next time you see Nathan on a carving station at a big event, setting up for dinner or just in the hallway don't hesitate to stop and say hey!
