Notes from Steve

Steve Hutton

As we all take time out of our busy day to thank all of the first responders who go out and risk their health and lives day after day to take care of us and keep us safe, I would like to thank all of you, our members, for continuing to support the club, our new staff, and your fellow Geneva members. These are not easy times, but we will get through them. Our team at Geneva Golf & C.C. and the Board of Directors will continue to do the right things to make sure we keep our members, guests, and employees safe while on club property. We will continue to follow the guidelines set by the CDC, federal, state, and local governments. Thank you for your patience and understanding.

The Geneva swimming pool at the time of this writing is temporarily closed due to the virus. We are patiently waiting to hear from the Governor if and when she will allow us to open. Please know we are just as anxious to begin as the members are. In the meantime, Kristyn Manjoine, Pool Manager, is working with the pool staff to gear up for swim lessons. Look for further information to come.

Geneva Social media has taken off! Make sure to Like our FB page. Please let us know if there is anything more you would like to hear from us!

In the next few weeks, I will be sending out a state of Geneva as a result of the Coronavirus Pandemic. We will need all member support to tackle all the issues this pandemic has put on the club. My door is always open if you have any questions. We can and will come out of this.

Men's Member / Guest and Friday Night Couples will highlight the return of Geneva golf activities. Look for event information to come!

Look forward to seeing you around the club.

We would like to start our monthly newsletter with a big Congratulations to the Muscatine High School Graduating Class of 2020. The Golf Shop is very proud of you! Good luck, Muskies, in your future endeavors.

Well, what a start to the summer. Golf is exploding even with a pandemic order issued. Awesome! Let's keep golf going. The golf course can handle all of the golf traffic you can put on it. June will be the start of Geneva golf events. It will be highlighted by Men's Member / Guest, and our NEW Friday Night Couples Golf. Make sure to check all of our media outlets to ensure nothing is going on that would interfere with you inviting guests or business associates to come out and enjoy your club. From the Course

We've been busy planting new flowers and a few bushes around the course and spraying for crabgrass, broadleaf and grub control. It's that time of year when the rough areas grow like crazy. Luckily, we were able to purchase a new rough mower and have been putting it to good use.

From the Food & Beverage Manager

I have just landed in Muscatine and am diving right in to learn everything I can about what the Club has to offer. My current focus is on re-evaluating the financial side of the food and beverage department so we can adjust our prices accordingly and in turn, extend that savings onto our members. We will be planning more events as the Covid-19 restrictions lighten up so look for more information on that soon. My #1 goal is to offer our members an all around better dining experience and I will be working with my crew to make that happen. If you have any suggestions or comments, please do not hesitate to contact me by calling the clubhouse @ 263-8942 or emailing me at jhuntington@genevacc.com
